# *Festivities Program*

## *2021-2022*

*Again that time of year is here  
 when wreaths elves lights appear  
 the hue of Santa's suit and sleigh  
 adding color the wintry skies of gray  
 until pansies roses tulips grow  
 melting all of the Season's snow  
 but I like holly gifts Advent more  
 than all that springtime holds in store  
 for it's this I'll tell you I so adore:  
 again that time of year is here  
 when wreaths elves lights appear.*
